

HAVE YOUR SAY!

....on cycling and walking street design
improvements in Cowes, Northwood and Gurnard.

Would you like to see:

- Safer routes to school for kids
- More separated cycleways
- Improved road crossings
- Wider pavements
- Slower traffic speeds
- Streets accessible for all

Tell us what issues you have when out and about walking and cycling and what improvements you'd like to see, by going to the interactive map at:

yourviews.org.uk

This is your chance to help shape the area's Local Cycling and Walking Infrastructure Plan (LCWIP) and make it easier, safer and more convenient to travel around by bike and on foot.

Prefer to attend a drop-in session? Open meetings are scheduled* as follows:

- Thurs 20th January, Gurnard Village Hall, 6-8pm
- Sat 22nd January, IW Community Club, Park Rd, Cowes, 1-4pm
- Sun 23rd January, Northwood Village Hall, 3-5pm

*subject to Covid restrictions. Check www.people-powered.uk/LCWIP for updates

The area-wide LCWIP has been commissioned by Cowes Town Council, Northwood Parish Council and Gurnard Parish Council and is being developed on their behalf by People Powered CIC.
